Roll No. 638800

“Mol an Óige agus tiocfaidh sí.”

Dear Parents,

As you are aware teaching and learning will go online for all Students from Monday 11th January including leaving certificate students following recent clarification from the Department of Education and Skills. We appreciate this is a very difficult time for all families and we want to assure you we will strive to maintain the quality of teaching and learning for your son/daughter considering the many challenges that remote teaching presents. All support in encouraging your son/daughter to fully engage with their teachers will be greatly appreciated.

All students have a school email account and have been using google classroom since the beginning of the school year. We are requesting that all student's login to their google classroom via their school email addresses and ensure they can access their accounts. If there are any issues with forgotten passwords or other, please communicate this to us on Monday through the parent note on the school App. We will then arrange to reset the password to the generic Colris123\$, students must then reset their passwords and ensure they keep the password safe.

Monday morning will be used for teachers to plan the programme of learning to be followed for the coming weeks. Teachers will be in contact with their class groups on Monday via their google classrooms to ensure all students have access and to inform students of the plan of learning for the coming weeks.

There are many questions regarding pre examinations, coursework, orals etc. still remain unanswered. We will endeavour to keep you apprised of any information we get as soon as we can.

In these difficult times we wish to thank you for your continued support. Finally, we would like to take this opportunity to wish you all a happy and safe 2021.

Is Mise le Meas

Nóilín Ní Dhulaing
